

## Our Athletic Opportunities are Expanding!

We are pleased to announce that ESSMY Students will now be able to participate on sports teams that compete in the Metro Athletics leagues. In partnership with St. Albert Catholic High School, students can try out for teams they currently run, as well as, future sports that are governed by Metro Athletics.

At this time, ESSMY students will be able to attend tryouts to compete for spots on the St. Albert Catholic High basketball and volleyball teams. In addition, they could also choose to play on their football and rugby teams. At the same time, students will continue to have the opportunity to play on ESSMY teams that include badminton, track & field, as well as, cross-country.

We know that our students have expressed interest in broadening the athletic options at the school and this opportunity, along with our current sports and intramural offerings, will enhance the high school experience. Should you have any questions regarding this opportunity, please do not hesitate to contact me.
