

École Secondaire Sainte Marguerite d'Youville

Grade 9 2019 - 2020

Core Courses

Please indicate which core courses you would like to take as regular programming and which courses you would like to pursue as Enhanced Academic Programming. The EAP program helps to prepare student for Advanced Placement Programming in High School. It is recommended that students attempt only one or two courses as EAP. Please check which program(s) you are interested in taking as regular programs and which you would like to challenge as EAP. Note: these are integrated programs.

	REG	EAP
English Language Arts (ELA)	_____	_____
Mathematics	_____	_____
Science	_____	_____
Social Studies	_____	_____

All students will be automatically enrolled in the three subjects listed below.

French Language Arts (FLA)
Physical Education Health
Religion

Options

Students can select the option courses they are interested in being a part of this year. Keep in mind the following:

- If you are in Band, choose two other options.
- If you are in Sports Academy choose two other options.
- All other students will be enrolled in four option courses.

(both Sports Academy and Band are year long options: Students cannot take both Band and Sports Academy)

Please complete with a check mark

_____ Band (year long)
_____ Sports Academy (year long)

Rank your option selections 1 through 13 (1 being your favourite - 13 being your least favourite) Note: each of these courses are one semester long

_____ Art
