

This year's ESSMY year-end band concert will be held on Tuesday June 11 at the outdoor amphitheatre at the Edmonton Valley Zoo. Admission is free with paid zoo admission for the day. Admission, including the zoo, will be free for performers. **The ESSMY year-end band concert will start at 6:00 pm at the Edmonton Valley Zoo Amphitheatre.**

Bussing will be provided for student performers from the school to the zoo. Pizza supper will be provided to student performers. **Students will be responsible for return transportation from the Zoo.**

Ideally we're looking forward to an amazing evening of outdoor music, however back-up plans are always recommended for outdoor venues. In the event of minor weather such as light rain, the concert will be moved to a banquet tent at the Edmonton Valley Zoo. In the unlikely event of severe weather, the concert will be moved to the ESSMY gym. **Gillian will email parents by noon, on the day of the concert, if the event is being moved to ESSMY due to severe weather and the change will also be posted on the ESSMY web-site.**
